Richard,

Got your voicemail and am tied up for a bit. We can certainly narrow the request to the "Site." Sunnyside is only interested in the local issues.

I understand that you will be out of town until next Thursday so I will try to call you later. If we don't connect, please assume the request will be narrowed as indicated in this email. We can work through more detail, as needed, when you return.

Thanks,
Nathan

Richard,

Let me know if you have any questions on this. As discussed, we are more than willing to work with the Agency on timing and means of production.

Best Regards,
Nathan
